Eugenie Ladner Birch, Hunter College

Eugenie Ladner Birch, President of the Society and editor of the *Journal of the American Planning Association*, holds degrees from Bryn Mawr College and Columbia University. She has written extensively on planning history. Her latest piece is "An Urban View: Catherine Bauer Wurster's Five Questions," in the *Journal of Planning Literature*. In 1985 she edited *The Unsheltered Woman, Housing Issues of the Eighties*, a study funded by the Ford Foundation. Her present research includes co-authorship of a book on New York City as a world city and participation in the production of the *Encyclopedia of New York City*, sponsored by the New York Historical Society and Yale University Press. She is the Society's first president, having served since the founding of the Society in 1986.
